

Product Maker - Torquay, Vic

Join our team and help make a positive impact in the world!

We are a growing Torquay based business specialising in creating premium organic products and raw chocolate treats. We are passionate about creating extraordinary products using the best organic ingredients that create moments of pure joy for people, while fostering a healthier life and a more sustainable world.

We are looking for a passionate, hardworking and all round good soul to join our team based in Torquay.

This is a casual position starting with approximately 15-20 hours per week, with the possibility of moving to permanent part-time in future.

We love and value the people we work with, and we're committed to creating an awesome environment to work in!

We're also passionate about contributing to a sustainable future, and we plant 10 trees a day with Trees for the Future.

BENEFITS INCLUDE:

- Flexible work hours, starting at 15-20 hours per week (with room to grow)
- Monday - Friday hours
- Small team, healthy work space and awesome culture that values people
- Room to grow and contribute ideas
- Room to grow in your career and trajectory
- Be part of an exciting, purpose driven and growing business
- Exclusive staff discounts on all our products and regular staff samplings
- Free organic tea and dark hot chocolate!

WHO WE ARE LOOKING FOR:

- Organised, reliable, trustworthy & punctual individual with a strong work ethic
- Good level of physical fitness (ability to lift loads of up to 25kg)
- Ability to perform physical work efficiently, accurately and consistently with attention to detail
- Ability to work independently and in a small team and follow processes to a high standard
- Willingness to learn and grow and be open to positive and constructive feedback

DESIRABLE:

- Experience in food production / hospitality / cleaning
- Experience in quality control / quality assurance
- Passion for food, health and wellness

JOB SUMMARY:

The Product Maker is one of the most important positions and performs an integral part of our business. This position will be involved with all aspects of the day-to-day factory operations. The job will include, but not be limited to, making products, ensuring a high quality standard, cleaning equipment and production space, maintaining a clean and tidy environment, improving production and quality processes and procedures, contributing to the growth and improvement of products and processes.

DUTIES & RESPONSIBILITIES:

- Producing products & following processes and procedures
- Performing quality control at every stage of production
- Cleaning equipment, production space and maintaining a clean and tidy work environment
- Contributing to the improvement of products and processes
- Additional ad hoc duties as required
- Adhering to work health and safety guidelines

To apply: please email info@manuko.com.au and include your CV, a profile picture and a brief cover letter telling us why you're the perfect fit!
